“Millions Now Living Will Never Die” Campaign
(1919-1925)**

The following are actually not clippings but the full page which contained either an ad or a news article related to what was called the “Millions” campaign. This occurred during the era of Judge J. F. Rutherford, second president of the Watchtower Society. These pages are all at various sizes so you will need to adjust the magnification as you read them.

Most of these are paid advertisements which the Bible Students put in the local newspapers to invite people to hear the lecture. There are a couple of news articles also included which illustrate how the media reported the “Millions” campaign.

“Resurrection of the dead soon— millions now living will never die”

—Judge Rutherford

The terrible world and subsequent epidemic of 1918-1919, the present influenza crisis, and the recent passing of a national law aimed at the Jews, were all clearly marked out in the same prophecy which distinctly declares when the dead shall come, and that millions now living will never die. This long awaited day is not fifty, seventy-five or more years hence, but it is here.

We all could easily believe this statement or declaration if the time were announced to begin say 200 or 300 years future, but to apply it to ourselves requires positive knowledge based upon infallible authority. Thousands of professed Bible scholars are moved from Bible prophecy to the study of the Bible, and many of them are finding that their living will not die, but will be resurrected if they choose to do so. All such will live in human bodies on this earth, and will be clothed by the return of new human bodies of their departed loved ones and live and enjoy the blessings of the Lord throughout the ages to come.

All interested and desiring to hear and consider definite Scripture proof for this proclamation are cordially invited to attend the free lecture by:

—Judge Rutherford

Because of unprecedented interest manifested in the rapid fulfillment of Biblical Prophecies, and the many requests for a return date for this lecture, Judge Rutherford, has granted Columbus another dating and will deliver this remarkable lecture in MEMORIAL HALL, COLUMBUS OHIO, SUNDAY AFTERNOON. Since speaking there January 4th, Mr. Rutherford has delivered this lecture to overflowing audiences at New York Hippodrome, Boston Theater, Chicago Auditorium and elsewhere. and return dates urgently sought everywhere. Every family is involved and many thousands are rejoicing because of this comforting Biblical message of the hour.

In this lecture, it will be conclusively proven to everyone willing to accept Bible testimony, by important prophecies which have been fulfilled during the past four years, and from many others still in course of fulfillment, that hundreds of thousands now living in this vicinity will never die. Many thousands of advanced Bible scholars within the past few months have endorsed this proclamation and it surely is worthy of general and personal investigation.

THE WORLD HAS ENDED and the promised and long looked for day of reconstruction and refreshing is here and soon will be made manifest to all. In "Millions Now Living Will Never Die" Judge Rutherford offers a reasonable and satisfying solution of the many questions raised by the conflicting claims of orthodox creeds, Sir Oliver Lodge, Sir Conan Doyle, Christian Science practitioners and the various faith-healing sects. No matter what your present ideas may be on the questions of life and death, communication with spirits, now and hereafter, you should hear

Quija Boards Blamed for Ills of Students

ANN ARBOR (Mich.), January 29.—"Quija boards are becoming so plentiful in the last years and so-called 'honest' letters are the result of 'supernatural' forces. They letter to college boys and more frequently coaches." declared a member of the faculty of the University of Michigan, expressing on a recent trip his indignation that too young women in his class had been obliged to leave school and place themselves in the hands of some trustworthy because of "inevitable" in the quija boards.

Dr. W. C. French, head of the university health service, admitted that there had been a great influx of nervous students at the university in the last few years. He said that many of these students had been treated with quija boards in various parts of the country and that their difficulty seemed to have been caused by the same quija boards which the quija board and non great belief in its veracity.

If the above warning is correct, then it is further proof that the entire population of the earth is menaced by men's hands and the supernatural. This is the case since the day of knowledge. The people should have the entire world in the subject, and that is why only people is speaking on it.

J. F. RUTHERFORD.

JUDGE RUTHERFORD FAVORABLY KNOWN IN ALL CAPITAL CITIES OF EUROPE

During the past ten years Judge Rutherford has lectured in nearly every large city in Europe and America on "Where Are the Dead?" His lecture on "Millions Now Living Will Never Die" and "Talking With the Dead" are particularly of great interest, and have been enthusiastically received. The fulfillment of certain prophecies during and after the war, and the messages of comfort to all millions harassed by the enormous numbers in the World War and subsequent epidemics.

TALKING WITH THE DEAD

Can the Living Talk with the Dead?

Statement by Judge Rutherford

Can the living talk with the dead? Sir Conan Doyle, his colleagues, many distinguished theologians and others, answer no. The twenty-four prophets of the Lord Jesus and the entire Apostles, according to the sacred testimony of both the Bible, never evangelized.

Dr. Conan Doyle and his colleagues say the soul is immortal—when we die, since the dead are able to communicate with the living. Surely that is the same thing and here and there is a line and that by statement was the beginning of the end. (John 11:17.) "Satan is the father of the lie; he has taught him where else man got the printing. Which one will you believe?"

Sir Conan Doyle and his colleagues claim that their belief, rather than any scientific writings through quija boards, table turning, etc., and that these messages have some supernatural power. They do not dispute. The Bible explains that this power is not obtained by the spirit of dead souls, but by demons—fallen angels, or evil spirits—in human clothing. It is only by the power of the Holy Spirit that the dead speak. (See 2 Peter 2:1; 1 Peter 3:18-20; Luke 4.) These demons have deceived their power since the time of the dead and the people have thought the immortality of souls. The day of God's judgment is now here; hence they exercise greater power and the Bible promises of a resurrection would be all done in carrying out his great plan—"There is no death."

Dr. Conan Doyle and many distinguished theologians have been and are being deceived by his demons, because they believe and teach the doctrine of immortality of the soul, which is supported by nothing except Satan's influence. (Genesis 3:1.) Immortality is a reward in a special sense; it does not naturally follow death, even after death. (1 Corinthians 15:1-55.) The dead are unconscious; they know not anything. They cannot think, and, thus, speak or do anything whatever. (See Psalm 138: 11-17; 140:4; Ecclesiastes 9: 5, 10.) This being so, it would be impossible for them to communicate with the living.

Nothing is more plainly taught in the Scriptures than the uncertainty of the dead—i. e., that in the time all the dead shall be awakened and given a final life. Such prophecy disproves that the dead are conscious and are able to communicate with the living, outside the resurrection of the first and last year.

These so-called communications from the dead are in no wise beneficial to the living. On the contrary, they are often sinister and will lead men into sin. Great numbers of men are being misled here by the influence of these demons. Satan and the other demons are thus leading and deceiving mankind in order to turn their minds away from the great Resurrection God has in store for them.

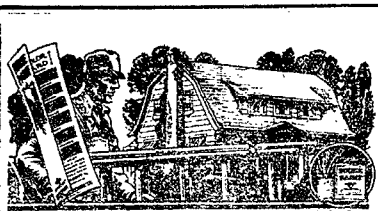

This so-called power of communicating with the dead is nothing but demonic, or spiritism and is a menace to the welfare of mankind. It is the greatest enemy of which we are told in my new book, "Talking With the Dead." J. F. RUTHERFORD.

CONFESES BRUTAL MURDER OF SIX-YEAR-OLD GIRL

Philadelphia And Bucks Co Fight For Legal Possession Of Slayer

PHILADELPHIA, Pa., Feb. 27.—With the finding of the body of six-year-old Lillian Gilmore early last night in the icy waters of Neesham creek, near Crofton, Pa., a legal battle today developed between Philadelphia and Bucks counties for possession of Wylie E. Morgan, 23, the confessed slayer of the child.

Lillian's body was recovered in other dramatic circumstances. Late yesterday Morgan, under a constant fire of questions, showed signs of abandoning his attitude of stolid indifference. Four-year-old Dorothy Gilmore, sister of the dead child, who was also in Morgan's motor car on the fatal trip Saturday, was brought into his cell in an effort to break him. Finally he somewhat reluctantly admitted to the crime.

Immediately following his confession of the crime, Morgan was placed in a police automobile first to the vacant lot in Torresdale, where he said he first attacked the child, then northward to the vicinity of Crofton. Morgan repeatedly asked to be allowed to take the wheel, "to find the paper case," but such requests were curtly refused by the detectives.

New Discovery Limbers 'Em Up and Even the Creaking Ceases

Yes; it's true—the world progresses. All you have to do nowadays to limber up that stiff knee joint is to squeeze a half inch of miracle working substance from a tube.

Then rub it on the offending part for about a quarter of a minute or until it soaks through the skin and disappears on its errand of mercy.

It's a good name for a good, clean, staineless prescription that in just a few months has proven to a multitude of people that lame, swollen, distorted joints can speedily be made like the joints of youth and work as smoothly as ever.

But Joint Ease is for both men and women, whether in knee, neck, hip, shoulder, spine or finger, and for that purpose its sale is immense.

THE NEW WORLD BEGUN

"millions now living will never die"

—Judge Rutherford

LIFE, perfect, limitless; with a regenerated race; on a restored earth; with a corrected climate and life-perpetuating food; under a Government which will satisfy the righteous desires of every living creature. And it's HERE, at the door! The portals of the new age are swinging open and many will enter and never die.

The old order is passing away, the new order is here. Christ Jesus is taking unto Himself His great power and beginning His reign. The Kingdom of Heaven is at hand.

You can by no means afford to let business or pleasure or any person deprive you of the solace and benefits enjoyed by those who have investigated this timely and heart-cheering message. The sole object of this lecture is to bring to the people a knowledge of the dispensational truth now due to be understood.

JERSEY MAN BUYS "HAREM" FOR \$100

NEW YORK, Feb. 28.—Frank Menassa, twenty-five years old, of Hamilton, N. J., is looking for a stranger from whom he bought a harem of six pretty girls and for which he paid \$100 in cash.

Frank was seated in a trolley car at Hoboken when a nice-looking stranger spoke to him and called his attention to two pretty girls whom he said were part of his harem. He had four more at an address at No. 45 Hill street, Honesdale, he explained, and that he was forced to leave them because he was called away on a trip to the West.

Would Frank buy them? Frank would and did. He handed over \$100. As he did so he noticed that the girls were getting ready to leave the car. The stranger assured him that they were not running away; that they were simply timid because they had not their suit behind. Frank believed and acquiesced in his purchase until he tried to find No. 45 Hill street. There was no house within sight.

Frank now believes he was flim-flamed.

"Millions Now Living will Never Die"

-- Judge Rutherford

M. A. HOWLETT
TORONTO

In a free lecture at the Armory, corner Olney Ave. and Church St., Monday night at 7:30 o'clock, it will be conclusively proved by many Biblical prophecies, which have been fulfilled during the past four years, and from many others still in course of fulfillment, that thousands now living in Mexico and vicinity will never die.

Every Bible scholar is aware, whether it is now or one hundred years hence, that mankind will sometime arrive at the end of Satan's reign, when everlasting life on this earth can be his blessed portion, instead of death and the tomb, as has been the case under Satan's six thousand years of evil domination and delusion.

The prophecies alluded in these prophecies indicating when such events are had destined mankind during the past few years, and the opportunity for profiting at all its phases forever ends.

The purpose of this free lecture is to furnish every inquirer with positive Biblical proof and secular evidence, based on prophecies fulfilled during the past five years that we will within the next few years enter this long hoped for period, when families will be reunited and live happily on earth ever after.

The divine law is inexorable and every inspired revelation of the divine purpose respecting the affairs of the old world, ever which Jehovah, for a special purpose, tolerated Satan in rule, has been fulfilled exactly on time, and the time for the finishing of Satan is at hand.

If you are interested in this vital subject and desire proof of the proclamation that millions now living will never die, you are cordially invited to hear

"For there shall be great tribulation, such as has not been since the beginning of the world until now (1914-1925), no nor ever shall be, and except those days be shortened, no flesh would be saved; but for the elect's sake those days will be shortened," and millions now living will never die.
Hear the evidence, then judge and rejoice.

"World's Judgment Day At Hand"
"Millions Now Living Will Never Die."—Judge Rutherford.

This evil world (the unrighteous order of rulership) is rapidly passing away, and is now actually in the throes of its death struggle. The present clashing of selfish interests are only evidences of the vain endeavors of the old evil world to perpetuate itself in its old iniquitous way. The old world's greatest statesman, regardless of their denominational doctrines, when Jews or Gentiles, recognize and admit that the old order has been cast off, and that radical reconstruction is necessary if there is to be peace and safety in the future. Thousands of independent Bible scholars are convinced by prophetic fulfillings that the old world ended just on "May, 1914, and that the "new heavens and a new earth," the "times of refreshing," are just at hand.

If you are interested in this vital subject and why millions now living will never die, you are cordially invited to hear

C. W. ZAHNOW, of Warren, Ohio,
At the STAR Theatre, Sunday Afternoon, April 17th
at 3:30 o'clock

"For these shall be great tribulations: as has not been since the beginning of the world until now (1914-1920) nor will ever be, and except those days be shortened, no flesh would be saved; but for the elect's sake those days will be shortened," and millions now living will never die.

CIVILIZATION DOOMED

but--"millions now living will never die!"

Oakland Municipal Auditorium, 3 P.M. Sunday, February 15

IN A FREE LECTURE at the Oakland Municipal Auditorium, Sunday, Feb. 15, Judge Rutherford will tell the people why the greatest crisis of the ages is upon the world; why all nations are mustering their forces for the greatest conflict of all times, as foretold by the prophets of God, how that great trouble will be cut short by the Lord, and why millions now living will never die.

Some of the Great Statesmen of the World Say:

"Civilization is doomed within this generation to a catastrophe such as the world has never known."—Lloyd George.

"The United States is preparing for war that would tax us to the utmost in manpower resources."—Secretary of War Weeks.

"The war has revealed that our civilization is pagan."—Dr. Bernard I. Bell.

"We have come to the crossroads and no one knows the way out."—H. G. Wells.

"I think it is certain that if there be another such war civilization will never recover from it."—Viscount Grey.

"The future is very dark. We have reached the twilight of civilization."—Dr. H. L. Brailsford.

JUDGE RUTHERFORD says: "After centuries of laborious effort to better conditions, man's civilization is nearing complete collapse. Selfishness has gone to seed and the harvest of destruction has begun. All nations are in distress and perplexity.

"WAR has bankrupted Europe and demoralized America, yet the nations go feverishly on preparing for more war. Modern science and education have made war more diabolical and fiendish than in the days of barbarism. The modern clergy have abandoned God, the Bible, and the Prince of Peace, and sanctify war.

"CORRUPTION and official lawlessness are brazenly manifested in all nations. Profiteers, conscienceless politicians and un-

faithful clergy are in an alliance to rule the world by an unholy and vicious League of Nations. The people are fleeced, robbed and oppressed. Millions are out of employment. They have lost confidence in their leaders, and are rapidly turning to Bolshevism, radicalism and anarchy.

"DISASTER stalks abroad and all nations are rushing madly to the greatest time of trouble the world has ever known.

"HOPE for the people lies in the kingdom of God now at hand. Millions are now living who will see that kingdom in operation and if obedient to its righteous laws will never die, but will live on earth forever in happiness, peace and prosperity. The world's darkest hour is just before its greatest blessing."

Gentlemen: Please forward The Harp Bible Study Course. I enclose payment in full, 48c.

REALIZING the need of an exposition of the Bible uncolored by creedal interpretations, Judge Rutherford has written a book, "The Hour of God." In this book Judge Rutherford, with the scrutiny of an expert traffic-surveyor, pursues an inquiry that spares no time-honored or much-reverenced opinions not founded on the Bible.

As an additional service, a course has been arranged, allowing an hour's reading weekly. Self-quiz cards suggest questions as formed as to test the harmony of the Bible.

The Harp Bible Study Course complete, 48c.

Great Throngs Have Heard

the heart-cheering message of Judge Rutherford during the past few months in Europe and America. Three times Royal Albert Hall, London, the greatest hall in Europe, was packed out and thousands turned away. At Magdeburg, Germany, 17,000 came. At Tacoma, Washington, 25,000; at Los Angeles, 35,000. Judge Rutherford is the only man who alone has ever filled Madison Square Garden, New York City.
